## ★★ Character-Based Lending ★★

Please speak with our lending department about your borrowing needs.

Have you been laid off and now living on less?

Is your credit poor and in need of repair?

We will help you restructure your debt by lending you money. You will have a manageable monthly payment and be able to repair/build your credit at the same time.

The credit union relies upon your credit score and on your character to grant you a loan.

We are willing to take a chance to help you, our member, and give you the opportunity you deserve!

Stop by or give us a call today!
